WHY SMTP GLOBAL LOGISTICS

Successful freight forwarding, project logistics and relocation management services in challenging markets like the CIS and Middle East require expertise, inside knowledge, and a reputation that businesses can trust. This is why SMTP Global Logistics is the preferred choice of many Fortune 500 companies in the region. Our in-depth knowledge of the CIS and Middle East, coupled with our regional and international service network makes SMTP Global Logistics a leading service provider in the region.

SMTP Global Logistics provides a “one-stop-solution” to meet all of your logistics requirements. Whether you are looking to relocate household goods across the region or move an offshore drilling platform across the seas, SMTP Global Logistics has the capability, expertise and experience to make it happen. You will get personalized service at every level with SMTP Global Logistics because we are truly independent, make our own decisions and specialize in our home market.

OUR STRENGTH

A highly motivated and skilled work force, with Experience in handling agro export under excise permission. Bond warehousing of import general cargo such as Food Stuff, Plastic Raw Material, Chemical, Oil Drums, Pharmaceutical, Steel Coils, Automobile, Machinery, Project Imports etc. We have a team of people, who are committed to complete operation in record time. A reporting system that is second to none, cargo movement updates being provided at time intervals to suit client's requirement, from periods of 1 hour in special cases to weekly reports. We assure total transparency of operations, with the client being in the know about the status of his goods at all times. A well-equipped reference library so that we do not need to call upon the client for every little details that could be handled at our end with a little reference work. And lastly, what we consider our main asset and driving force: the desire to do a good job for the client, whatever is the good, their value or quality.
